Jesus paid everything for us free for us to receive for faith. It was interesting and valuable information. However, the narrator's voice was very annoying to the point that it was difficult to finish the book, even though it was an amazing book. Each time I read or listen, I receive new revelations and the Lord has opened many opportunities for me to share this material with others. Very informative. Easy to understand this was a good read, explanation was great, good examples. This was a deep examination of the deep mysteries of God. A+++++ Derek Prince has a unique ministry by walking in the anointing of the Holy Spirit and teaching what he has experienced and learned by walking with the LORD.
